ABOUT US

SQC Certification is an accredited Certification Body that empowers businesses by providing internationally Certified ISO certification and Training services on various Management Systems. As a trusted name in the industry, we are proud to hold accreditation from the United Accreditation Foundation (UAF) Approved by the (IAF) International Accreditation Forum. Our journey began in 2018, and we have since expanded Across 47+ countries. We specialize in assessing and certifying organizations to internationally recognized standards such as ISO 9001, ISO 14001, ISO 45001, ISO/IEC 27001 and many more Certification. Each of these is designed to help businesses improve their processes, ensure customer satisfaction, and meet regulatory requirements.

Our Mission

Empowering organizations around the world by providing excellent ISO certification services and training, fostering a culture of excellence, sustainability and continuous improvement. Provide cost-effective, quality solutions, reflects the organization's commitment to providing value to its customers. The organization recognizes that cost is an important factor for many customers, and it strives to provide high-quality solutions at affordable prices.

Our Vision

To stand as a beacon of global excellence, SQC Certification aspires to be the foremost leader in certification, continually innovating to shape a world where organizations thrive through quality and sustainable practices. Our vision is to be the nation's most trusted and dependable service provider without compromising on quality. We believe that continuous improvement in quality management systems is the path to organizational excellence and customer trust.

OUR ACCREDITATION

At SQC Certification Services Pvt Ltd, we take pride in our accreditation by the **United Accreditation Foundation (UAF)** for providing ISO certifications across various standards. Our accreditation covers ISO 9001:2015 Quality Management Systems (QMS), ISO 14001:2015 Environmental Management Systems (EMS), ISO/IEC 27001:2022 Information Security Management Systems (ISMS), and ISO 45001:2018 Occupational Health and Safety Management Systems (OHSMS) and many more.

"UAF Accreditation is a globally recognized mark of quality and reliability. It confirms that a certification body meets international standards and operates with competence, impartiality, and transparency. Certifications issued by UAF-accredited bodies are trusted worldwide, helping organizations enhance their credibility and meet global compliance requirements."
